## Cookies policy

Reviewed September 2019

A cookie is a small text file stored by your browser that allows the website to 'remember' your preferences (such as calendar settings and site bookmarks) on the site from visit to visit, or to maintain your 'logged in' status when visiting protected areas. Usage of a cookie is in no way linked to any personally identifiable information while on our site. Web browsers have settings allowing you to reject cookies, or selectively accept cookies, or delete cookies previously accepted. Please be aware that rejecting or deleting cookies from our website may make certain functions unavailable to you.

To find out more about cookies, including how to see what cookies have been set, visit [www.aboutcookies.org](http://www.aboutcookies.org) or [www.allaboutcookies.org](http://www.allaboutcookies.org).
