Summer Term 2017

Class 3 Revision Guide for Classics

Length of examination: 1 hour

Revision topics:
Nouns: nominative and accusative singular; nominative plural.
Verbs: porto and sum, present tense, I, you, he, they; imperfect and perfect tense, he and they.
Vocabulary: checklists for stages 1 - 6

EXAMINATION FORMAT

Girls will be asked to:

- Fill in a noun chart
- Fill in a verb chart
- Fill in a vocabulary chart, giving the English meanings for words in the checklists for Stages 1-6
- Complete exercises with selection of correct grammatical forms of words/vocabulary
- Translate sentences from Latin into English
- Translate a passage from Latin into English

All the information can be found in the Cambridge Latin Course, Book 1, pages 1 - 82 and in the girls’ revision booklets

Girls can test themselves on the vocabulary using the CLC website or Quizlet (https://quizlet.com/class/1396630/)
The exam is an hour and a half long. There will be a passage to read and questions to answer, some of which will be on the content of the passage (comprehension), and some of which will ask you to look at the language used in the passage.

There will also be two short Directed Writing tasks: you will have to select information from the passage and use it to write a longer answer and a continuation of the story with dialogue.

Useful to remember:

- Basic parts of speech (nouns, adjectives, verbs and adverbs).
- How to write about figurative language (similes, metaphors and the effect they have on the reader).
- How to do Directed Writing
- How to punctuate speech and use paragraphs.

Revision:

The exam is based on skills you have been practising throughout the year. It is helpful to have a good vocabulary and to keep reading!
Summer Term 2017 : Class 3 Revision Guide for French

There will be four sections: **listening, speaking, reading and writing (including grammar)**. Each will be worth 25%. The listening will be approximately 30 minutes and the reading, writing and grammar one hour. For the oral test you will prepare questions about yourself which you will be given in advance.

**Things you need to be able to do in the end of year examination**

Topics:
- personal details eg name/age/family/home/pets and how to describe them (pp2,39)
- days of the week, months and your birthday (p57)
- descriptions (including hair and eyes) (p54)
- clothes - exercise book, Linguascope
- the weather and the seasons (p73)
- sports and leisure activities (p64)
- weekend activities and musical instruments (pp94 and 107)
- where you live and house (p18)
- places in town (p89)
- numbers 1 – 100 (p161) & time (pp107 and 160)

Grammar:
- the definitive article le/la/les/l' (p 25)
- the indefinite article un/une / (p25)
- possessive adjectives mon/ma/mes/ton/ta/tes/son/sa/ses (p159)
- verbs: regular -er verbs (regarder/jouer etc..) (pp162/3)
- verbs: irregular (être/avoir/aller/faire) (p164)
- agreement of nouns and adjectives "une gomme blanche" (p159)
- prepositions: à la/au/aux
- jouer + du/de la/des (p160)
- prepositions of place: sur/sous/entre/dans/devant/derrière (p160)
- opinions (p107)

The “Rappel” sections are also useful revision pages and fun to do. It is very important to use your exercise book and vocabulary book too – especially your corrections and notes. Summer Term 2017

Class 3 Revision Guide for Geography

The Geography examination will be 1 hour long. You should answer every question, except in the final section when you will have a choice of questions in a longer writing task.

You will be examined on all the topics covered this year in Geography. Remember that your exercise books are your most important revision resource for the following topics.

1. **The world map** Continents and oceans; longitude and latitude; the British Isles.
2. **Map and Atlas skills** Directions/bearings using points of the compass; using an index.
3. **Sink Holes** *Pages 26-41 in Geographical Enquiry*
   - Limestone and chalk; the process of solution; different types of sinkholes; the distribution of sinkholes; the climate of Miami, Florida; the problems and benefits of sinkholes.
4. **Japan** *Pages 8-23 in Geographical Enquiry*
   - Reasons for urbanisation (the growth of cities); population density; Osaka; the relief of the land in Japan; how Japan is creating more living space; Kansai airport.
5. **Disasters and Risky Places** *Pages 74-90 in Geographical Enquiry*
   - The difference between a hazard and a disaster; types of natural hazard and their impacts; reasons why the world is experiencing more disasters; why some places are more vulnerable than others; case study of *either* the Philippines or Haiti (not both), and why they are risky places to live.
6. **Fracking** *Pages 42-57 in Geographical Enquiry*
   - The fracking process; the difference between renewable and non-renewable energy, and examples of each; the arguments in favour of renewable energy; the pros and cons of fracking (pages 52-54 are very helpful for this).
7. **Almost Armageddon!** *Pages 58-71 in Geographical Enquiry*
   - Deep time; the Permian period; the Great Dying; acid rain.
Summer Term 2017

Class 3 Revision Guide for History

MAKE SURE THAT YOU LEARN ALL OF THESE TOPICS.

- The Class 3 summer examination will be 1 hour in length.
- It will consist of several pages of compulsory short questions, all of which should be attempted.
- On the final page there will be an extended question which you will be expected to answer in paragraphs.
- The marks for each question are clearly shown.
- The textbook for revision is “Invasion, Plague and Murder: Britain 1066-1509”.
Summer Term 2017

Class 3 Revision Guide for Mathematics

This year’s Summer Examination will consist of:

- 1 non-calculator paper (40 minutes + extra time)
- 1 calculator paper (40 minutes + extra time)

Students will be required to bring in their own equipment for both tests. This includes a calculator, a protractor, compasses and a 30 cm ruler, as well as general writing equipment.

The examination will be based on the text book that the girls have been using, namely Essential Maths 7H. They will be tested on Units 1 – 5 (see Contents page of the textbook for specific details).

All students will be given blank copies of the chapter tests they have been doing throughout the year for revision purposes.
Summer Term 2017

Class 3 Revision Guide for Music

Everything you need to know for your examination can be found in your workbooks for this academic year!

- The questions in the examination will test your understanding of musical vocabulary, the musical elements, styles and historical context. For example:

Which of the descriptions below best describes *col legno*:

- Play a pentatonic scale
- Play on the fingerboard
- Play with the wood of the bow

- For the examination, you should know these Italian musical terms:

<table>
<thead>
<tr>
<th>Dynamics</th>
<th>Tempo</th>
</tr>
</thead>
<tbody>
<tr>
<td>Forte</td>
<td>Allegro</td>
</tr>
<tr>
<td>Mezzo forte</td>
<td>Andante</td>
</tr>
<tr>
<td>Piano</td>
<td>Adagio</td>
</tr>
<tr>
<td>Mezzo piano</td>
<td>Rallentando</td>
</tr>
<tr>
<td>Crescendo</td>
<td>Accelerando</td>
</tr>
<tr>
<td>Diminuendo</td>
<td></td>
</tr>
</tbody>
</table>

You should also learn any specific musical vocabulary related to the topics we have covered. You will find these words in your booklets, which, nearer the time, you will be able to take home to revise from. This year’s topics have been:

- Creation
- Mood & Character in Music / Programme Music / Structure
- Instruments of the Orchestra
- Medieval Music
- Music and Stories through the Pentatonic Scale
- Fanfares

This examination will **not** test the ‘theory of music’! You will not have to answer questions about note names but will need to look for Italian terms in a musical score.

**EXAMINATION FORMAT**

**Examination paper:**

You will complete and examination paper lasting approximately **thirty minutes**. The paper will mostly contain a series of multiple choice questions which are designed to assess your understanding of musical terminology, vocabulary and techniques.
Summer Term 2017

Class 3 Revision Guide for Religious Studies

The examination will last 60 minutes.

You must answer all questions in full sentences.

There will be four sections:

- Judaism – the covenant, the festival of Passover, and the Ten Commandments.
- Christianity - the Trinity, beliefs about Jesus, Jesus’ moral teaching, the celebration of Lent and Easter.
- Rites of Passage – revise one out of baptism, bar mitzvah, marriage, funeral rites.
- Essay titles- you will be asked to write two ‘argument essays’.

You will be given a topic list and a set of revision questions. Use these to take bullet point revision notes. Memorise the notes. Get somebody to test you.

You can find all the information you need in your exercise book and glossary. (If there is a topic for which you have no information in your exercise book, contact your teacher. You may have to go back to the textbook to catch up.)
Summer Term 2017

Class 3 Revision Guide for Science

• Length of exam: 1.5 hours. The marks for each question are clearly shown. There are four sections covering Biology, Chemistry, Physics and a dedicated ‘How Science Works’ section, which will test knowledge of variables, how to analyse and interpret data, and how to make conclusions.

• Revision topics:

Biology: Life processes; cells; diffusion; osmosis and levels of organisation; the digestive system; the cardiovascular system.

Chemistry: Atoms, elements, molecules, compounds and mixtures; the Periodic Table; acids and alkalis; pH, indicators; neutralisation; the reactions of acids; the particle model of solids, liquids and gases; solutions and dissolving; distillation; chromatography.

Physics: Circuits and circuit symbols; ammeters and voltmeters; current; magnets and magnetic fields; forces; resultant forces and their effect on motion; terminal velocity; mass; weight; energy; work done; Sankey diagrams; heat transfer by conduction, convection and radiation.

The textbook for revision is “CGP Key Stage Three Science Revision Guide”.
