

TRANSPORT GUIDE

2026/2027

WELCOME

Dear Parents,

We are delighted to launch the Queen’s College, London bus service for 2026/27, partnering with Vectare, a specialist school transport management company. Whilst Queen’s is well served by public transport, we recognise that many families would appreciate the convenience of a bus service, particularly in the first few years at senior school.

This guide provides an overview of the school bus service network and contains further details including timetable information. As a new service, the routes have been designed based on the data we have available and are subject to change as we receive parental feedback and understand demand. We value your opinion in relation to this new service and if you have any suggestions, please contact Vectare at queenscollegelondon@vectare.co.uk.

All bookings for all routes can be made via the dedicated transport website queenscollegelondon.vectare.co.uk

The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest stop. You can book every day for a term, specific days you need each week, or on an ad hoc basis, subject to availability.

To Book:

Please visit queenscollegelondon.vectare.co.uk to make a booking. Other amendments and changes can also be made via the ‘My Account’ section of the website. If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please email queenscollegelondon@vectare.co.uk.

TERMS & CONDITIONS

1. This agreement is made between all school bus passengers, their parents and Queen's College London in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils' journeys to and from the school are the responsibility of their parents. To assist with discharging this responsibility, Queen's College London provides a transport service.
3. Transport on the school bus service must be arranged in advance. If you wish to use the school bus service on an ad hoc basis, or to vary the details of your bus travel as a one-off, you should book travel via the website prior to travel. Payment for the service is made online at the time of booking and your child's name will automatically be added to the register. Bookings are to be made online via queenscollegelondon.vectare.co.uk
4. Bookings on the school bus service are nonrefundable in the event of a pupil failing to travel.
5. It will be the parents' responsibility to inform the school via the 'Contact Us' form on the website if they no longer wish to use the school bus service. A full term's notice must be given by a parent prior to the removal of a pupil from the school bus service (apart from an ad-hoc journey). If an ad hoc journey is cancelled with more than 24 hours' notice the booking can be transferred to another journey.
6. No pupil is permitted to travel on the school bus service if not pre-booked for that bus. Other arrangements for journeys to and from school must be made by them or their parents.
7. Pupils must travel to and from Queen's College London in full school uniform or a full school PE kit (except on approved non-uniform days).
8. Pupils should be at the bus stop five minutes before the scheduled time of departure to ensure they don't miss the service. In the evening, parents should be at the bus stop five minutes before the estimated time of arrival to collect a passenger (where applicable).
9. Good conduct is required at all times. Bullying, shouting, use of foul language, dropping litter, eating, playing music, or any other misbehaviour is strictly forbidden.
10. Except when embarking or disembarking, all passengers must remain seated with their seatbelts fastened correctly.
11. Whilst on a school bus, all passengers must accept without question the authority of a transport company official or school member of staff who may ask them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.
12. Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the school bus service.
13. Queen's College London aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however, timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time. This will not apply to the afternoon journeys due to having estimated journey times that will change on a daily basis.
14. All bus routes are subject to a minimum level of demand. The School and/or Vectare reserves the right to amend or withdraw a route if there are insufficient bookings to make the service viable. Where a route is cancelled due to insufficient demand, parents and guardians will be notified in advance
